Key Points About Regulation SHO I. Short Sales A. What is a short sale? A short sale is generally the sale of a stock you do not own (or that you will borrow for delivery). Short sellers believe the price of the stock will fall, or are seeking to hedge against potential price volatility in securities that they own.

Seth: "You form the camouflage world or appearances with the same part of you that breathes." Session 23, p.167 , The Early Sessions, Book 1 "The physical world that you recognize is made up of invisible patterns. These patterns are "plastic," in that while they exist, their final form is a matter of probabilities directed by consciousness.
