The UK Birthing Center is located on the third floor of the UK Chandler Hospital. The Birthing Center includes 13 labor and delivery rooms, three operating room suites, 17 mother and baby rooms and a four-bed newborn nursery.

Birthing Center | UK HealthCare

Childbirth, also known as labour and delivery, is the ending of a pregnancy by one or more babies leaving a woman's uterus by vaginal passage or Caesarean section. In 2015, there were about 135 million births globally. About 15 million were born before 37 weeks of gestation, while between 3 and 12% were born after 42 weeks. In the developed ...

Childbirth - Wikipedia

Water birth is childbirth that occurs in water. Proponents believe water birth results in a more relaxed, less painful experience that promotes a midwife-led model of care. Critics argue that the safety of water birth has not been scientifically proven and that a wide range of adverse neonatal outcomes have been documented, including increased ...
