Conflict Resolution Skills - Edmonds Community College

The Thomas Kilmann Conflict Mode Instrument is one of the most effective conflict management strategies I've seen. It is also known as the Conflict Resolution Inventory. It is based on a model of conflict modes, which enables an analysis of individual styles in particular situations. Individuals can identify their primary style, and assess the productiveness of that style in the various situations that they encounter. They then have the choice to continue with that style, or to adopt ...
