Defined By Christ by Toni Sorenson (2010-08-02): Books

Defined by Christ is insightful and heartfelt and full of light and hope. I loved Toni Sorenson's writing style. She was so sincere; I felt like I was talking to a friend when I read it. So beautiful. I would be in a very different place (emotionally and spiritually) if I hadn't read this. I would recommend it to anyone, but especially to those struggling to find their worth and their identity.
