Understanding Conflict Resolution - ijhssnet.com

Conflict resolution is conceptualized as the methods and processes involved in facilitating the peaceful ending of conflict and retribution. Committed group members attempt to resolve group conflicts by actively communicating information about their conflicting motives or ideologies to the rest of the group and by engaging in collective negotiation. Dimensions of resolution typically parallel the dimensions of conflict in the way the conflict is processed. Cognitive resolution is the way disputa

Conflict resolution - Wikipedia

Affective Conflict is a situation in which feelings or emotions are incompatible; that is, people literally become angry with one another. Conflict is very common in organizational settings. This is not necessarily a negative feature; the resolution of conflict often leads to constructive problem solving.

DEFINITION OF CONFLICT RESOLUTION PDF

The conflict resolution process will not always work. The level of the skills of some people may not be at the point where they can be full partners in this process. For example, you may have a spouse who does not want to, or know how to, solve the problem. You may also have a conflict with a co-worker, boss or higher-up who is known for irrational outbursts. You must take all these factors ...
