

## **EASTERN AFRICAN ROLL BACK MALARIA NETWORK (EARN) SUPPORTS SCALING UP OF MALARIA IMPLEMENTATION WITHIN EARN MEMBER STATES**

### **REQUEST FOR PROPOSALS**

The Eastern African RBM Network (EARN) supports 12 countries in the East Africa region (Burundi, Comoros, Eritrea, Ethiopia, Kenya, Rwanda, Somalia, Sudan North, Sudan south, Tanzania mainland and Uganda) to strengthen implementation of Malaria Control Programmes and intends to build a database of eligible consultants to assist National Malaria Control Programmes. This process seeks to support 12 National Malaria Control Programmes in scaling up implementation for impact through:

**1. Development of documents** that will be used for improving implementation within the individual countries. The process of development will be led by the countries themselves so that the products are owned by the country governments.

- a) Malaria Strategic plans
- b) Malaria Business plans /Operational Plans
- c) Comprehensive Malaria Monitoring and Evaluation Plans/ Frame works
- d) Comprehensive needs assessments for malaria
- e) Programme Review for National Malaria Programmes
- f) Proposal Development
- g) Conducting Malaria Indicator surveys
- h) Development of Procurement and supply management plans

**2. Assist in bottleneck resolution in implementation of Global Fund Grants and other Malaria Related Grants specifically in the following areas:**

- a) Procurement and supply management
- b) Monitoring and evaluation
- c) Financial management systems

EARN now invites consultants/Firm of consultants with relevant experiences in these areas to indicate their interest in providing the services. Interested consultants/ firm of consultants must provide a statement of capability and experience indicating that they are qualified to perform the services and ability to work in all 12 Member States where the official EARN languages are spoken (English, French ).The Proposal should clearly indicate the specific area of interest and attach a CV.

Priority will be given to Consultants/Firm of consultants that are ordinarily residents of the EARN member states.

Written electronic proposals must be marked '**Request for Proposals EARN-RBM consultancy**' and delivered to the mails below.
