Ecko Rising by Danie Ware is described on its cover as â€œgenre-defying,â€• and it certainly is that. Published just last week on June 11, this debut novel was sent to me by Titan Books. Part sci-fi, part high fantasy, this is the first chapter in the story of two worlds â€” one high-tech, one steeped in magic â€” that are inextricably linked.

Ecko Rising by Danie Ware - Goodreads

review 1: I almost gave up on this book, but I'm glad I didn't. The ending definitely has me on board for no. 2. I have a few issues with the book, but I don't know if they're due to the writing or the audio book narration, and the more I think about it the more I think it's the latter.
