This is one in a large series of short videos from NCETM showing how people use maths at work. See the others here. When you have watched the video see if you can convert time into decimals and work out how much employees should be paid.

### **Maths at work: Converting hours and minutes**

The Sheaf Valley Maths Trail is a short walk starting outside Sheffield City College on Granville Road, along the footpath to Sheffield Station and the steel blade sculpture, behind the station to the steel steps and the amphitheatre, up the hill to the Cholera Monument and then back to college via Clay Wood.

### **Functional Maths - Maths with Graham**

In physics, a force is any interaction that, when unopposed, will change the motion of an object. A force can cause an object with mass to change its velocity (which includes to begin moving from a state of rest), i.e., to accelerate.

### **Force - Wikipedia**

The Meaning of Character & Personality Traits. While character and personality are both used to describe someone's behaviors, the two examine very different aspects of that individual.
