[PDF] Fatale Book by Jean-Patrick Manchette, Donald

By the time he published Fatale in 1977 (just out as a trade paperback from New York Review Books), Jean-Patrick Manchette was an established name in the world of le roman noir, crime novels with, for lack of a better word, an existential slant. They play with the purity of the American model with a wit and expansiveness that allows Manchette to draw from his interests in political philosophy ...
