

half life practice problems pdf

The half-life of a drug is the time it takes for the amount of it in your body to be reduced by half. This depends on how the body processes and gets rid of the drug, and can vary from a few hours to a few days.

Explaining the half-life | Mind, the mental health charity

"Half a Life" is the 22nd episode of the fourth season of the American science fiction television series Star Trek: The Next Generation, the 96th episode overall.
