I don't like small talk (in the sense of frivolous conversations), but I recognize their purpose as conversation openers and space fillers in otherwise enjoyable conversations, tools to discover tidbits about the other party, or tools to decrease social distance (such as a manager using small talk to engage a team member).

How to Make Small Talk in 5 Easy Ways (Examples Included)

Glues, gases and aerosols are breathed in or sniffed from something acting as a container or holder. There are several different ways to do this, but whatever method is used, it is difficult to control the dose and all methods are potentially fatal.
