After some downloads (I don't remember which one exactly) all stop to work. Every time I click to 'Print' it asks to save the file instead. I'm googling over internet since 2 days. No solution to my problem.

Cannot print a pdf file. It opens as 'save as' instead

Hi, It is not the printer who make it, it is Google Chrome which you are using (please correct me if I'm wrong ;). From the printing dialog of Chrome click the Change button and change from Save as PDF to your printer,

then it should print instead of saving the file.

My printer makes me save the document first instead of
