Below are links to PDF files of various final actions of the director issued through DERR. These actions vary from administrative enforcement actions to final disposition on permit and variance applications to final decisions on hazardous waste clean-up plans.

Hazardous Waste Issued Actions - epa.ohio.gov

Interest rate parity is a no-arbitrage condition representing an equilibrium state under which investors will be indifferent to interest rates available on bank deposits in two countries. The fact that this condition does not always hold allows for potential opportunities to earn riskless profits from covered interest arbitrage.

Interest rate parity - Wikipedia
