Adolf Hitler's religious beliefs have been a matter of debate; the wide consensus of historians consider him to have been irreligious, anti-Christian, anti-clerical and scientific. In light of evidence such as his fierce criticism and vocal rejection of the tenets of Christianity, numerous private statements to confidants denouncing ...

1. Introduction. This supplementary document discusses the history of Trinity theories. Although early Christian theologians speculated in many ways on the Father, Son, and Holy Spirit, no one clearly and fully asserted the doctrine of the Trinity as explained at the top of the main entry until around the end of the so-called Arian Controversy.
