Interesting article to which I have one minor caveat. The case of Pevensey Castle is a little more complex than just declining sea levels. The entire South East coast of England was radically changed by the Great Storm of Feb 1287.

History falsifies climate alarmist sea level claims

The television is a killer slaying souls across the face of the earth. America has been tempted and paralyzed with charms and sins. Television is a chief cauldron of temptation putting bad ideas in people's minds.
