Many laws in the history of the United States have addressed marriage and the rights of married people. Common themes addressed by these laws include polygamy, interracial marriage, divorce, and same-sex marriage.

### **Timeline of civil marriage in the United States - Wikipedia**

Forced marriage is a marriage in which one or more of the parties is married without his or her consent or against his or her will. A forced marriage differs from an arranged marriage, in which both parties presumably consent to the assistance of their parents or a third party such as a matchmaker in choosing a spouse.

### **Forced marriage - Wikipedia**

On this page, are the names and rough location, of a large number of children's homes, approved and residential Schools, and institutions in the United Kingdom that some people may be familiar with.
