the great stagnation how pdf

The Great Stagnation: How America Ate All the Low-Hanging Fruit of Modern History, Got Sick, and Will Feel Better is a pamphlet by Tyler Cowen published in 2011. It argues that the American economy has reached a historical technological plateau and the factors which drove economic growth for most of America's history are mostly spent. These figurative "low-hanging fruit" from the title include the cultivation of much free, previously unused land; the application and spread of technological break
