A classroom is a learning space, a room in which both children and adults learn. Classrooms are found in educational institutions of all kinds, from preschools to universities, and may also be found in other places where education or training is provided, such as corporations and religious and humanitarian organizations.

Classroom - Wikipedia

What is "flipping"? Flipping the classroom is a "pedagogy-first" approach to teaching. In this approach in-class time is "re-purposed" for inquiry, application, and assessment in order to better meet the needs of individual learners.

The Nobel Prize in Literature will once again be awarded, and this autumn Laureates for both 2018 and 2019 will be announced. The Nobel Foundation's Board of Directors believes that the steps that the Swedish Academy has taken and intends to take will create good opportunities for restoring trust in the Academy as a prize-awarding institution.
