Words from Latin. No language has been more influential in the development of English than Latin. There are two reasons for this. First, when the French conquered England in 1066, their language was very similar to Latin, and French remained England's official language for 200 years.

### **Words from Latin - Merriam-Webster's Spell It!**

Words from French. Before the Modern English that we speak today was fully settled, the French of the Middle Ages—a direct offshoot of Latin—was widely spoken in the British Isles, as a result of the conquest of Britain by France in 1066.
